

**DELHI INTERNATIONAL CHRISTIAN
FELLOWSHIP**
NEW DELHI, INDIA

Delhi International Christian Fellowship provides a remarkable ministry within the expatriate English speaking community, located in one of the fastest growing and most influential international communities in the world.

We are seeking a dynamic pastor who could begin ministry as early as March and no later than August of 2012.

- Multi-national attenders from more than 40 countries (currently the ten-person Church Board has members from Great Britain, Canada, New Zealand, the Philippines, Singapore, South Africa, and the United States).
- Ministries to a highly educated, relatively young, mobile, and highly successful group of gifted people.

- •English as one's mother tongue.
- •Degree from an accredited university and theological seminary.
- •Ordained in a recognized denomination.
- •Minimum of 10 years of lead pastoral experience.
- •Extensive international living/ministry experience.

From the POSITION DESCRIPTION NARRATIVE

1. PERSONAL LIFE

Qualities:

- A joyful, flexible, loving, and content person
- An enthusiastic lover of Jesus Christ
- Authentic Christian character
- Happily married

International ministry here in India can be profoundly effective. For expatriates in this uncomfortable, insecure and often unpredictable environment, the spiritual side of their personality tends to come to the fore. In order to take advantage of this unique ministry opportunity the pastor must be a person who can effectively work through the challenges in his own life with a patient grace and equilibrium.

2. PASTORAL WORK

The pastor's primary task is to love people from all over the world through his life, preaching, hospitality, and administration. The accomplishing of this task will bring people together around the person and work of Jesus Christ.

Quality preaching to a broad spectrum congregation of well-educated, experienced, and highly competent people is a high priority.

Ministry is focused within the visa agreements of the Indian government which includes a stipulation that the church exists for the benefit of the expatriate international community.

3. CHURCH LEADERSHIP

The pastor will foster a Christian community culture that is so accepting, freeing, and joyful that the truth of God's love and Christ's offer of forgiveness becomes real enough to draw the seeker/outsider and build the committed/insider.
